### Urban low income housing in Zimbabwe (1991 edition)

Housing is one of the problems that local authorities are grappling to resolve. The provision of housing for the low-income has been a major problem in many countries and the developing world has been hard hit. Assessing public participation strategies in low income housing: The Mamre Housing project—An Msc Project in Public development management.

### Low

This influx forced the colonial government to change their housing policy towards the low income people.

### Urban low income housing in Zimbabwe (1991 edition)

A situation where initiatives of the poor are running parallel and in isolation to the mainstream programmes in cities is not healthy for sustainable development of the city and usually reflects exclusive and elitist urbanisation policy that does not take care of the needs of the diversity of urban society. Cite this article Average, C.

### Low income housing problems and low

This paper examined the sustainability of participatory approaches to provision of housing to the urban poor in the city of Bulawayo.

### Zimbabwe's urban housing crisis

The urban poor have been participating in the housing delivery system because it has been used to break bureaucratic impediments that have for long been bedevilling the housing delivery system for. The discussion acknowledges that the principle of cost recovery is central to the establishment of replicable housing projects and sustainable housing finance systems. In the Bulawayo housing project there is need for bringing another stakeholder that will assist in financing the provision of infrastructure for water, sewer and other services.

### Urban low income housing in Zimbabwe (1991 edition)

Also the generated interest can ensure sustainability into the future. Availing financial facilities will go a long way in promoting investment in the housing sector and this will also benefit the economy by contributing to Gross Domestic Product Kissick et al.
