Scores of simple, enjoyable projects for parents and children together. Periodicals Homeschooling Today 1992- , Published bi-monthly by S

Squared Publications. Laying down good habits is a large part of what Dr.

### **Books On Home Education**

Most importantly, the author shares her experiences with things that worked and things that failed with her own kids, and how she continually reshapes her teaching approaches. Some people say that you can't judge a book by its cover, but you can tell a lot about a person by what he or she reads. Cathy will give you her top choices from every subject area, approaching everything through a Christian worldview perspective.

### **The complete home learning sourcebook (1998 edition)**

A columnist for Home Education Magazine and Homeschooling Today, two of the most respected periodicals on the subject, Cohen has also homeschooled her two children into college. Each story is framed with background information about the context of the story, such as the Cambodian killing fields from which a disabled client fled and the incidence of developmental disabilities suffered by a teenage boy in foster care. Mostly, it's a product review of different books, games, programs, magazines, etc, but it's the size of a major city PHONE BOOK.
