## Overview of Essential Aspects of Nkrumahism

New York: Harcourt Brace Jovanovich. While white planters and politicians condemned the so-called Horrors of St.

## The Origins and Proliferation of Pan

In the United States, enslaved Africans, particularly in the South, lived in a cruel and inhumane society that sought to strip them of all elements of their African heritage, ethnic identity, and culture family, kinships, languages, religions, traditions, and customs.

## Afrocentrism

The chapter outlines the transformation of nationalism into a comprehensive vision of national development, leading the most prominent African leaders—Nkrumah, Nyerere, Kaunda, Senghor, etc. Du Bois set the tone for Afrikan-Centered research in his *Suppression of the African Slave Trade* in 1896.

## Chronological List of African Independence

The American slave code in theory and practice: Its distinctive features shown by its statutes, judicial decisions, and illustrative facts.
