**The Black & Tan Bombshell: May 2008**

North Carolina Historical Review 76, no. Pacific Historical Review 80, no.

**Full text of of Butler County,**

Due to bum knees, Holly hasn't gotten as much opportunity to hunt, or hunt as long, as her predecessors.

## Bibliography

The scene impressed you with awe—the waters roared through deep chasms, between two walls of rock, one hundred and fifty feet high, perpendicular on each side, and the width between the two varying from forty to fifty feet.

**Diary in America, Series One, by Captain Marryat**

South Dakota History 16, no.
