Harmony of the Gospels

He was crucified by the Romans and the nail that was driven through his ankle was still lodged in his ankle! The dry climate of Egypt allowed some papyrus manuscripts to be partially preserved, but, with the exception of, no New Testament papyrus manuscript is complete; many consist only of a single fragmented page. The handwriting found in New Testament manuscripts varies. However, they're still interesting to read.

Historical Reliability of the Gospels

It is also be interesting to study these texts from a religious perspective.

Early dating is important for several reasons. The most plausible reason for this is that it had not occurred during the writing of the gospels.

Documents for the Study of the Gospels

John the Baptist's prominence in both the gospels and Josephus suggests that he may have been more popular than Jesus in his lifetime; also, does not begin until after his baptism by John.
