Preclinical development handbook. ADME and biopharmaceutical properties (eBook, 2008) [vivchar.tom.ru]

From start-ups to spin-offs, there are no lack of options for a company or venture capitalist to license or invest into.

Preclinical Development Handbook: Toxicology: 9780470248461: Medicine & Health Science Books @ vivchar.tom.ru

Existing drugs may already have been developed, tested, and approved for the treatment of other diseases before being considered for Sjogren. Until the first publication of the Handbook of Aqueous Solubility Data, this information had been scattered throughout numerous sources. In this thoroughly updated and expanded second edition of the Handbook of Anticancer Pharmacokinetics and Pharmacodynamics, leading investigators synthesize an invaluable overview of the experimental and clinical processes of anticancer.
