## Major Symbols and Motifs

It was a noble killing but the way Macbeth killed Macdonwald was a savage display of sickness. A portrait of William Shakespeare is pictured in London on March 9, 2009. These performances, known as plays raise significant ideas that are the underpinning issue or idea that propels and sustains the play.

I believe that not only does the witches conversation lead the reader to believe that something will happen, but the thunder and lightning also play an important role in what is to come for Macbeth. The fast pace in which the play moved on demonstrates the rash decisions made throughout the play and that is forwarded to the audience by Shakespeare. This is a biased way to look at literature, and often detracts from the piece as a whole.

## Themes, Motifs, and Symbols in The Tragedy of Richard III

Hamlet's quest for revenge causes the deaths of many friends and loved ones, including his own mother. His death signifies the true reality of how venomous the feud was between the two families that it was costing other lives. What does he habitually wish? What's more, the imaginary blood also shows how Macbeth and Lady Macbeth both lose a grasp on reality.

## 'He Didn't Flee': Shakespeare And The Plague

In Macbeth guilt was not controlled very well. Macbeth introduces an element of fantasy into the normal tragedy narrative through the characters of

the witches. Othello is not convinced of his folly until Iago confesses his part, and Cassio speaks of the use of the handkerchief, then, Othello is overcome with grief.
