Theater Criticism

Such a lovely and useful little book! A bit of it is out of date, especially the newspaper reviewing logistics and the surprise at diverse casting, but it's surprise not disapproval 1992 and the rest of the book is just wonderful, knowledgeable and warm. Just as a poem keeps a moment alive, good criticism keeps theatre alive. It's clear from the links referenced in this article what criticism needs to look like if the profession isn't going to be left to die.

The Basics of Theatre Criticism

Photograph: Topher McGrillis Theatre critics need to think harder about whether their own ethnicity and relative privilege means they are the right people to write about certain topics, new guidelines drawn up by the union Equity argue. So the literary craft gives birth to a stage production.

Theater criticism jargon, translated

This is not to say that you need to fabricate glowing positive things to say about a lackluster performance, but it is very rare that a show has nothing to speak well of. The Parking Lot Rule As a critic, I developed an important basic principle that I always abide by and teach my students to do the same.

Theatre Criticism: Changing Landscapes: DuÅ;ka Radosavljevic: Methuen Drama

Brantley regularly writes Broadway show reviews, news pieces about what is happening in New York City theatre and occasionally about what is going on in the London theatre scene. Some journalists stick to writing Broadway show reviews while others dive in deeper, trying to find out what gossip is going on in the backstage of a Broadway show. Understanding the thought that goes into a critique is the first step towards recognizing when something is a fair piece of critical prose and when something is slapdash or thoughtless.

Dallas

A theatre review is a short essay for the ordinary uninitiated readers who get to know about the play being performed, about the group staging the play, and its director and other actors. She shines through a tearful silence. How is the average theatregoer to sort quality from digital noise and

perhaps more importantly support those who create high level critiques? The much maligned profession of being a Broadway journalist can have its ups and its downs for anyone that chooses to go into this specialty career.

The Basics of Theatre Criticism

Isherwood alleged that Brantley is a hostile co-worker and was damaging his career. The best criticism is a curious combination of poetry and consumer advice.
