## Ifāḍat al

Once all of the images for a manuscript have been captured they are color-corrected, deskewed, and cropped.

## Ifāḍat al

Sayyid Hamid Husayn's approach in each of these parts is to show that the hadith is a mutawatir one, having been narrated by Sunni traditionists of every generation from the time of the Companions to the scholars of his own era. .

## Uṣūl

The mss is later owned by the author's son Aḥmad Abū al-Faṭḥ al-'Ajlūnī. For some reason, it appears to look smaller though. Smith and Queer Blue Light Videotapes collection 1999-52 , GLBT Historical Society.
