William Cullen Bryant Quotes (Author of Thanatopsis)

It appears that this is when he made a change that would alter his prominence and affect his art, profoundly.

William Cullen Bryant

The New York Evening Post was a paper established by the Federalist Party stalwart, Alexander Hamilton. . .

vivchar.tom.ru: William Cullen Bryant: Author of America (9780791474686): Muller, Gilbert H.: Books

Shifted from writing his own poetry to a blank verse translation of verse.

Homepage

Durham, NH: University of New Hampshire Press, 2005: 77. . He did publish The Letters of a Traveller in 1850, a series of letters he had written to the Evening Post, describing his tours of Europe, Mexico, Cuba, and South America.

William Cullen Bryant Quotes (Author of Thanatopsis)

I would tell you how, in their youthful days, they took each other as companions for life, and how this union, no less sacred to them than the tie of

marriage, has subsisted, in uninterrupted harmony, for more than forty years.
