Frescoes by Giotto. Between Icon and Renaissance Realism

Considered one of the first of the Italian Renaissance artists, Giotto di Bondone was a talented painter and architect.

Giotto

The bones were those of a very short man, of little over four feet tall, who may have suffered from a form of congenital dwarfism. The actual closest approach was measured at 596 km.

Giotto Information

However, other sources suggest he was born in 1267, which seems more likely judging by the maturity of some of his early works.

Frescoes by Giotto. Between Icon and Renaissance Realism

Giotto was ahead of his time. In this way users can either follow the default settings or build their own stepwise pipeline to extract and visualize spatial information.
