## The Illustrated Encyclopedia of Natural Remedies

Very minimal damage to the cover including scuff marks, but no holes or tears. Packed with step-by-step instructions to make your own herbal remedies, simple recipes for cooking with herbs and spices, and beautiful photographs, this might be the most comprehensive guide to natural remedies ever published.

## Illustrated Encyclopedia of Healing Remedies by C. Norman Shealy, Paperback

## The Illustrated Encyclopedia of Natural Remedies

## Larousse Illustrated International Encyclopedia And Dictionary

Then, different ailments, including first aid, are listed with proposed remedies.
