Even the brotherhood of Freemasons had its limits: whereas English nobles, it is alleged, removed their swords on entering a lodge, Austrian bourgeois were lent one to strap on. Again though, the new ruler expired soon afterwards.

Austria, Hungary, and the Habsburgs: Central Europe c.1683

There the Military Frontier was actually extended and a new taxation system introduced, while the authorities courted the Orthodox population at least in its Greek-Catholic guise and favoured the local Saxons, notably Samuel Brukenthal, as a counterweight to the Magyars. Strictly speaking, for bizarre constitutional reasons, Maria Theresa was King of Hungary: cf. On Joseph and Hungary in general, see Henrik Marczali, Magyarorszaz 'g to 'rte' nete II.
