## FAQ

You are not restricted to that list.

## Real Estate Agent Continuing Education Courses

Carry Forward Excess credits cannot be carried over into the next annual licence period. If you become licenced between March 1 and May 31, you are required to complete two years worth of CE credits by the time you submit your first annual filing.

## Continuing Education

Your CE records must be maintained for five years from the end of the annual licence period for which the education was taken. There must be consequences to those who violate the ethics policy.

## Continuing Education

The Academy has developed 22 quality measures to help advance quality improvement.
