**Unsere Schule**

In 1955, Ellis developed Rational-Emotive Therapy RET , which has become one of the most influential therapeutic systems of our time. Ich kann nur soviel sagen: Es sind sehr viele Tränen meinerseits geflossen, ich musste kämpfen, mich rechtfertigen.

**Ein steiniger Weg**

Constantin Brancusi was a Romanian-born French painter, photographer and sculptor, who represented Modernism movement. I can also put it this way: With my usual persona, with which I have identified since childhood, I desperately try to uphold something that, paradoxically, causes my shame.

Weeks later, I actually lived this situation during another parents' meeting. Schon Adolf Hitler und Mussolini waren von Zeitgenossen als Clowns beschrieben worden.

## **Die Kunst des Stolperns**

Anders als Jack Nicholsons Joker jedoch will dieser Killer-Clown die Sphären zwischen Gut und Böse gänzlich aufheben, er akzeptiert keine Trennung mehr zwischen Recht und Unrecht und arbeitet daran, ein durch und durch nihilistisches Gotham City zu errichten. » By experiencing this assertive success, a productive shift may frequently occur, resulting, moreover, in a reduction of gelotophobic symptoms. The therapeutic clown's specific role is to ensure that the patient's self-controlling patterns and hyper-rational thinking are excluded from the range of possible responses.

## **Glück des Stolperns**

In this context, immediate occurrences the here and now of the group therapy situation are linked up with recent life events, which are then connected to significant events dating back to the patient's early childhood years. Wir erleben offenbar ein Zeitalter globaler Clownerie. He is one of the most important sculptors of the 20th century.
