

Law of damages through the cases

Juta - What are the Types of Damages in a Lawsuit?

26. The main category of damages in tort law is compensatory damages, designed to compensate the injured plaintiff for losses as a result of defendant's wrongful conduct.	T	F
27. Punitive damages are to punish the defendant and to make an example to others where the defendant's conduct is of an aggravated or outrageous nature and does not apply in negligence cases.	F	T
28. Mitigation of damages is an obligation in tort law that plaintiffs have to lessen or reduce their potential injuries/damages through prompt medical treatment or other actions a reasonable person would have performed under similar circumstances or injuries.	T	F
29. Strict liability is liability without regard to fault.	T	F
30. In strict liability, a plaintiff must show defendant <i>intended</i> to inflict injury upon plaintiff.	T	F
31. There is no difference between a negligence tort and an intentional tort because as to both the law looks to the result to determine the liability of the wrongdoer.	T	F
32. In most states, under tort law (especially negligence), people do not have a legal duty to come to the aid or rescue of another human being.	T	F
