## Challenging the Limits: Indigenous Peoples of the Mekong Region (Book Review) on Apple Books

Some of the papers will last the test of time better than others; 2 papers in particular stand out in this respect, those by Charles Keyes and Mikael Gravers. Catalogue Persistent Identifier APA Citation Prasit Lippichai. Both are senior academics who have produced seminal works in their field, and one would expect them to produce high-quality papers.

Too much relating to the issue of globalization is implied here, resulting in a burden upon the reader to make all the necessary inferences. Critically also there are no cross-references between the papers: the authors give the impression of being entirely unfamiliar with each other's work.

## Challenging the Limits: Indigenous Peoples of the Mekong Region (Book Review) on Apple Books

Edited by Prasit Leepreecha, Don McCaskill, and Kwanchewan Buadaeng. This is, of course, the typical drawback of edited volumes arising from conference presentations. As such, the reference to the Mekong region is rather artificial and its value as a framework of interpretation is not made clear.

## CHALLENGING THE LIMITS INDIGENOUS PEOPLES OF THE MEKONG REGION MEKONG PRESS

However, this possibly also reflects the difficulty of getting local voices published in English, which the press, in the longer term, hopes to address.
