## The Advantages of Foreign Languages in Elementary Schools

New Jersey is one of 11 states where foreign language study is required for students to graduate from high school.

## Languages Other Than English

The State describes Ballentine Elementary School in South Carolina, which has elementary school classes taught completely in Spanish once a week. B REINER-S ANDERS, K AREN E.

## World Languages

Both books give children 6—10 and their parents a fun introduction learning the language.

## More Elementary Schools Offering Foreign Languages

These opportunities for authentic language practice are popular with students and teachers. The revised courses include separate courses for Levels I-VII of classical and modern languages, Levels I-IV of American Sign Language, Advanced Placement ® AP and International ® IB courses, and several elective courses. Parents in my neighborhood wanted their children to learn Spanish.

## Essay about Elementary Education: Foreign Languages in the...

Proficiency movement and standards initiatives have changed the focus of language instruction and assessment.

## Foreign Language in the Elementary Schools/Language through Content (FLES/LTC)

Implications of emerging brain research have fueled renewed interest in early and intensive language learning for children in the first years of formal schooling, as well as programwide emphasis on meaningful use of language in authentic contexts.

## **Foreign Language in Elementary School (FLES): A Boost for Your Child**

However, languages are not like these other subjects, which can mostly be studied and memorized from books.
