### Importance of training and development in an organization

Indeed, the committee and the timeline for our work would have required considerable expansion in order to give such an endeavor adequate treatment.

### The Importance of Training and Development in the Workplace

So please, if you work in training or education, I hope the rest of this essay, or the previous paragraph does not insult you.

### 10 Implementation: Curriculum, Instruction, Teacher Development, and Assessment

For legal advice, please consult with your own attorney. Mahwah, NJ: Lawrence Erlbaum Associates. Organisations function under dynamic conditions and, therefore, searching for universal principles may not always be a fruitful exercise.
