### Clueless Movie Review

In the land of the clueless Live what you believe. . When Tai becomes more popular than she is, Cher realizes that her disapproving ex-stepbrother was right about how misguided she was -- and falls for him.

### Clueless Movie Review

Tardiness is not something you can do on your own. Dionne is in a relationship with popular student Murray. We have reduced support for legacy browsers.

### Clueless scroll

Cher hasn't really been able to bond with her mother in person. I don't think you'll be missed. Overall, it's a super quick and fun read.

### Clueless (1995)

Much of the film's plot centers around Cher's gradual realization that her judgment is not infallible such as with her attempts to give Tai a makeover. They talk that way, and do those things, but with a sly humor that suggests they're putting themselves on. She embraces Josh and they kiss as the film closes.

Which I'm kinda glad, because I could go totally postal if there were, like, random stuff in it.

### Clueless (1995)

This film isn't appropriate for young kids -- it contains drinking, drug use, and implied sex -- but teens will love it. .

### Clueless synonyms, clueless antonyms

Cher remakes Tai, the new kid who dresses wrong, talks wrong, does too many drugs, and has too much sex. All the girls would have competition with the guys. Will this story ever lose its classic status? She knows that happy teachers give higher grades, and convinces each teacher that the other is a secret admirer.

## **Clueless**

Perhaps this experience, this false expectation of life at age 12 is where my current financial disobedience stems from.
