Russia Overview

Prevention of Sexual Exploitation and Abuse PSEA Code of Conduct: Organizations will be required to submit their PSEA Code of Conduct prior to issuance of an award, if a proposal is chosen for implementation. For feedback mechanisms, including monitoring; learning and adaption; integrated sets of indicators will need to be developed and harmonized with national policies.

### Nicaragua Canal

Phillips 2020 , How tax officials in lower-income countries can respond to the coronavirus pandemic, Overseas Development Institute ODI , London. Regular power cuts, which turn off well pumps, also contribute to the intermittency of supply. The Bureau will not authorize personnel positions to be charged based on a flat monthly fee that includes salaries, benefits, travel costs, etc.

### United Nations Sustainable Development Group: Home

The links may be more complex over the long run, however.

### Egypt :: Sustainable Development Knowledge Platform

Trebesch 2020 , Coping with disasters: Lessons from two centuries of international response, Vox CEPR Policy Portal,. Depreciation allowances should be uniform across sectors, and there should be minimal use of tax incentives other than permitting net operating losses to be carried forward for some reasonable period of time.

### Regional, rural and urban development

See Section 2 in the NGO Guidelines above. For example, if one full-time Regional Program Coordinator has responsibility that is divided equally for each of ten 10 projects, the salary for this position should be allocated across all awards in such a manner as to equal 100% of the time available for this position. Health authorities are working to intensify PCR tests, increase the capacity of hospitals, supply them with oxygen and

speed up vaccination of the entire population.

## **Russia Overview**

The resulting countries included in the 2019 data yield a absolute USD coverage of 96% of portfolio investment to ODA-eligible countries and 88% of other investment to ODA-eligible countries in previous years. It has also had a powerful effect in breaking the taboo that often surrounds the issue of sanitation.
