The Oxford Dictionary of Modern and Contemporary Art is one of many book titles to use the phrase. His paintings weave together personal and collective fears, traumas, and memories, addressing the horrors of 20 th century European history. This influence results in images which are cute, yet also unsettling and sinister.

### The Nature of the Market at Year End

Our Hong Kong auction series in 2020 achieved the strongest total in Asia's history and defied market expectations while also outdistancing our nearest competitors. The sheer volume of dollars in the high end market helps to burnish the overall picture, though a closer look reveals drops from pre-pandemic levels of -33% and -30% in the middle and low end markets respectively. From of faces, to street art, these popular artists have developed unique ways of displaying their famous modern art.

### Partner Sale : Blond Contemporary X Singulart

Unique among modern artists, his paintings are graced with absurd, cut-up, often carnivalesque characters. His works are filled with rich textures and colours, the expressive images balancing in between clarity and decay.

His fascination with these subjects is also reflected in the commercial materials he uses.

### The Nature of the Market at Year End

His works can be recognised by his signature expressionistic style, figures with large heads and exaggerated features, and at times abstract paintings of faces. He started out with traditional brushwork to create extremely realistic subjects, but later changed his approach and started working with cropped framing, an unusual use of perspective, and the use of colours to strengthen emotion.
