## Books and Monographs

The objective of this collection is to serve as a stimulus to future research on aging and change in the later years of life. Beijing, China: China Population Publishing House.

**vivchar.tom.ru: Schaie**

Lifespan developmental psychology: Personality and socialization.

**K. Warner Schaie**

New York: Springer Publishing Co. In the estimation of risks, current methods of extrapolation based upon converting the response of a median man are inadequate, as they ignore phenotypic variation and therefore, susceptible subgroups. Included is a discussion of theoretical dimensions and levels of scientific theorizing assumed to be helpful in understanding and evaluating alternative perspectives on cognitive aging.
