The first century Roman politician, philosopher, and playwright Seneca : Make yourself happy through your own efforts; you can do this, if once you comprehend that whatever is blended with virtue is good, and that whatever is joined to vice is bad. I have read and re-read it multiple times. Another important source is Cicero 1st c.

### What is Stoicism? A Definition & 10 Stoic Key Principles

Because the whole of the world is identical with the fully rational creature which is God, each part of it is naturally constituted so that it seeks what is appropriate or suitable to it, just as our own body parts are so constituted as to preserve both themselves and the whole of which they are parts. Marietta, 1998 , Introduction to ancient philosophy, pp. The influence of Stoicism on Medieval thought has been considered by Verbeke 1983.

### Elevate Your Leadership with Stoicism

The man he sent instead, Persaeus, was deeply involved in affairs at court and, according to some sources, died in battle at Corinth in the service of Antigonus. Two of these are bodies: the signifier which is the utterance and the name-bearer which is what gets signified. Fighting with the things we cannot change will leave us disturbed, blaming others, and resenting life.

The souls of humans and animals are emanations from this primordial Fire, and are, likewise, subject to Fate: Constantly regard the universe as one living being, having one substance and one soul; and observe how all things have reference to one perception, the perception of this one living being; and how all things act with one movement; and how all things are the cooperating causes of all things that exist; observe too the continuous spinning of the thread and the structure of the web. But this optimistic assessment seems to have been qualified in the face of criticism by members of the Skeptical Academy — perhaps, even if there are such impressions, it is not so easy to be sure when one is experiencing one. Your actions

are what counts.

### **Why Stoicism Matters Today**

For a more general treatment covering Stoic philosophy as a whole, see Sellars 2013. Another suggestion is that the Stoic sage hedges his bets by assenting only to the impression that it is reasonable that there is fireplace here as Sphaerus did about the pomegranates, 40F.
