List of British governments

In 1996 the Commonwealth Africa Investment Fund was established to increase investment in that. The first regulations on the common agricultural policy CAP were adopted and the European Agricultural Guidance and Guarantee Fund EAGGF was set up in 1962.

British Euroscepticism: a brief history

The party returned to power in 1951 and maintained office until 1964.

UK rebate

The had stated that the must be directly elected, however this required the to agree on a common voting system first. However the EEC, and Euratom, had different executive bodies to the ECSC.

European Convention on Human Rights

Under the prime ministership of 1970—74 , the party pursued policies designed to deregulate finance and industry. Gross domestic product per person has grown faster than Italy, Germany and France in the more than 40 years since. In , the ruled that jurisdiction of member states to the convention extended to areas under that state's effective control as a result of military action.

BBC News

Oxford, UK: Oxford University Press. Most other institutions, including the , have some form of national division of its members. However, on March 30, 2019, Parliament rejected May's EU withdrawal agreement.

The Golden Triangle

The Labour cabinet came together, but its Eurosceptics did so with trepidation.
