Wonderful as is the proof of it shown by his versions of Dante and his fellows, of Villon's and other ballad-songs of old France, the capacity of recasting in English an Italian poem of his own seems to me more wonderful; and what a rare and subtle piece of work has been done

here, they only can appreciate who have tried carefully and failed utterly to refashion in one language a song thrown off in another. She collects typewriters and old novels and laments the fact that her personal library has outgrown her apartment.
