The opposing self; nine essays in criticism.

Search Google Answers for - - . Trilling, however, is extremely erudite and fluent that I've discovered some English words to add to my vocabulary: in this regard I seem to be a sciolist though I do not pretend depth of understanding. I say Soul Making; Soul as distinguished from an Intelligence.

The opposing self; nine essays in criticism.

It is a hot summer day in Washington, D.

The opposing self; nine essays in criticism.

It is this theme which Trilling weaves with skill and great sensibility into each of these nine essays and gives this its value in the realm of belles lettres.

The Opposing Self: Nine Essays in Criticism

In this book, Trilling has chosen nine different writers, among them Wordsworth, Keats, Howells, Flaubert, Henry James and Jane Austen- widely disparate figures.

Google Answers: Lionel Trilling quote

But conversely, imagine encountering a wise and humane practitioner of the craft.

The Opposing Self: Nine Essays in Criticism by Lionel Trilling

New York: Viking Press, 1955. King, and particularly on that fateful day in Washington.
