Where are England's 2010

. He has twisted gold horns growing from his head and enormous wings that appear to be made of fire. With all his brilliance on the cricket field, there were some weaknesses.

Cricket: Runout by Covid

During this series, he managed to clock his fastest ball at 156.

Cricket: Runout by Covid

The last time Pakistan produce any international level batsman was back in 1998 Mohammad Yusuf , so I ask Mr Khan where is the talent. Swing bowlers are more effective than sheer pace bowlers as the swing can confuse a batsman.

The best and worst occasions athletes crossed over into other sports

If you have the tracking ability selected for your mini-map, a green paw print will show up if a wild pet is nearby. For all his achievements in the cricketing world, Sir Don Bradman fell short of life's final century - yet his legacy lives on forever.
