ISBN091100503X archetypes, c g jung VG- softback, one page has pen mark and one a small stain. Perhaps the most important dream Jung had - for himself and his psychological system - was the one of Liverpool which marked the end of his midlife or creative trauma, and with it the finish of his mandala drawing and painting.

Goodreads Authors

Believing that the quest for symbolic experience has urgency and meaning for our time and that the most comprehensive and useful expression is in the discipline of analytical psychology, Whitmont presents a systematic survey of Jung's psychology. How von Franz manages to interpret The Three Feathers as success on the fourth is totally beyond me. Dreams are analyzed, in part, to illuminate their symbolic components Martin, 1960.

Experiment in Depth, A Study of the Work of Jung by Martin, P.W.

This topically organized introduction to the wide variety of Jung's concepts is based on the belief that most of Jung's writing is accessible to a general readership.

Experiment in Depth: A Study of the Work of Jung, Eliot & Toynebee by P.W. Martin

Jung, edited by William McGuire. Introducing his theme by describing early studies of double personality and of the trauma hypothesis, Kranefeldt then focuses on the theories involved in Freud's psychoanalysis, Adler's individual psychology, and Jung's analytical psychology. In discussing the current status of the field of analytical psychology, Samuels argues for its place within the wider field of psychotherapy.
