Richard III: Entire Play

King Richard the Third , grew up in the turbulent years of the War of the Roses, 1455-1485, the English crown fought between the House of York, symbolized by the White Rose, and the House of Lancaster, the Red Rose, Sovereigns on the throne, vanish rapidly, ironically, two branches of the same Plantagenet family. Richard, though, is made to be more complex than the medieval personification of Vice, more human and thus, more terrible. Não era apenas o condado que estava em jogo; Ricardo Neville o havia herdado como resultado de seu casamento com Ana de Beauchamp, que ainda estava viva e viveu mais que suas filhas e tecnicamente era a dona de boa parte das propriedades Beauchamp, já que

seu pai não tinha herdeiros homens.

Richard III (1995 film)

It is here that the women of the play become important, transforming it into Senecan if not Sophoclean tragedy. Over a short period of time, he becomes mocked and disliked, as the people know he is a horrible man.

King Richard III by William Shakespeare

It made me once restore a purse of gold that by chance I found.
