10 Ancient American Civilizations

The goal of Ancient Origins is to highlight recent archaeological discoveries, peer-reviewed academic research and evidence, as well as offering alternative viewpoints and explanations of science, archaeology, mythology, religion and history around the globe. The hair of the children is lighter, and often auburn.

History of the Americas

Furstenan reported unearthing an 8 ft tall skeleton with artifacts such as mortar, pestles and arrowheads on Catalina. It is the oldest known civilization in the Americas and one of the where civilization originated independently and indigenously in the ancient world, flourishing between the 30th and 18th centuries BC.

Pre

Thus Kennewick appears to have strongest morphological affinities with populations in Polynesia and southern Asia, and not with American Indians or Europeans in the reference samples. One of the tricks of the Albino deceivers is to use trick terms. But in the ancient past, the people of Malta were a Khoisan-like people, as demonstrated by their artifacts and genetics.

Inside the Secret Mounds Of Pre

If that age is accurate, the skeleton—along with three others found in underwater caves along the Caribbean coast of the Yucatán Peninsula.

Top Ten Giant Discoveries in North America

Most of the sample of unmodified crania lack documented archaeological contexts.

The Adena People and Prehistoric Colonization of North America

We hope this tiny selection of accounts leaves one realizing there may be some truth to these reports although numbers 9 and 10 cannot be

verified, and they are well beyond the established scope of human height.

Prehistoric America plus the Ainu and Jomon
