Vladimir Lenin

The Treaty resulted in massive territorial losses for Russia, with 26% of the former Empire's population, 37% of its agricultural harvest area, 28% of its industry, 26% of its railway tracks, and two-thirds of its coal and iron reserves being assigned over to German control. In January 1919, Lenin left Moscow to attend a children's party to which he had been invited in.

Government of Vladimir Lenin

La un al doilea raport de autopsie nici un organ, arteră importantă sau zone ale creierului, afectate în mod obișnuit de sifilis, nu au fost menționate. Tikhon opposed the sale of any items used within the , and many clergy resisted the appropriations.

Search records

Two bullets had pierced his body, and he was rushed to the Kremlin, where he was seen by doctors. This Western support soon took a more active role in the conflict; by July 1918, 4000 troops provided by the United Kingdom, France, United States, Canada, Italy, and Serbia had landed in , taking control of ; by August their troop numbers had grown to 10,000.
