A History of Medieval Europe Course

New features include: · A new Preface, outlining Davis's view of the importance and relevance of medieval history · Postscripts to each part, introducing the most important new interpretations of the period to have emerged since the book was written, and showing how Davis's views relate to them · New maps and illustrations · Updated reading lists Combining a strong narrative history of the period with an introduction to diverse historical perspectives, this book is essential reading for all students of medieval history. As an introduction to the period, this book cannot be beaten - even now so many years since it was written.
