The Brave Cowboy. An Old Tale in a New Time.

From acclaimed author and literary genius Edward Abbey comes this classic novel that inspired the motion picture Lonely Are The Brave--a stirring and unforgettable tribute to the American hero and the American West.

The Brave Cowboy. An Old Tale in a New Time.

The message -- and the beautifully detailed setting of Western plains and mountains -- is the background. My American Novel professor culled the works we studied that semester from a larger list of novels he felt strongly reflected American literature and, more specifically, captured the role liminal spaces play in that genre.
