The central government officers examined accounts and supervised the work of the tax paying villagers. But, nevertheless, if ideology is concerned with moving a people to action, the question may well be asked: why did E. There were court cases of complaints relating to physical abuse, which were widespread and horrific.

Tamil History

The river Kaveri and its tributaries dominate this landscape of generally flat country that gradually slopes towards the sea, unbroken by major hills or valleys. Culture also has several properties: it is shared, learned, , transmitted cross-generationally, adaptive, and integrated. The modern Tamil film industry originated during the 20th century.

Tamil Culture

Crimes such as manslaughter or murder were punished with fines.

History and Culture of Tamil Nadu

Some sort of syncretic religion developed among the Tamils. We have to uphold these principles, in theory and in practice, if we want to bring about a cultural revival among the Tamils in Reunion. Silambam originated in ancient and was patronized by the Pandiyans, Cholas and Cheras,

who ruled over this region.

Culture of Tamil Nadu

This leads us to date the poems mentioning Senguttuvan and his contemporaries to belong to this period.
