## The Iron Trial — Reader Q&A

Call says that they should have listened to his father and not let him have anything to do with magic and that he is going straight to Master Rufus to tell him who he is. However, I did not like that it did not conclude its story and instead waited for the sequel. Then, wolves started to appear from over the hills, nearly killing some students.

## THE IRON TRAIL

They then decided to name it Havoc, and though Aaron and Tamara were wary of it at first, they eventually soften and opened up to it. She has never quite fit in at school or at home.

## The Iron Trail by Max Brand

It slowly teaches them concentration and determination in their magic. Call gets a note from his father and decides that he wants to talk to him. Next Aaron runs up to a wyvern but is thrown across the room.

They settle into the routine of school and their lessons. The boat then drifts of in the current.

## The Iron Trial — Reader Q&A

Catch up on the parts that slipped your mind so you will be ready for the next one. It is a wolf pup, and Call snuggles him back into the school and into his room. They eventually return and Callum lets the elemental out but it goes into his room and sleeps in crystals.

## The Iron Trial

During this time, Alastair raised and taught Call to fear and be distrustful of mages. Only , one who seems carefree enough and is trying to befriend Call, is able to finish it. I'd recommend it for ages 9-14, maybe 8, depending on reading level.

### **The Iron Trial — Reader Q&A**

And with his reward money, it looked like he would be set for life. He plans to regain their honor by being the best mage in the world.
