130 Bungalow House Plans ideas in 2021

Bungalow Style pictures a wide variety of interior details and describes how to add or restore elements that suggest a historic flair while keeping the home comfortable and functional. It can take on many different shapes and styles, depending on where it is built and for whom it is built.

Bungalow Homes: The History of Bungalows & Where to Find Them

The craftsmanship of these homes is also highly sought after. Bedrooms can be small by today's standards, and if they're on the half-story above the main living space, they'll often have dormer windows or slanted ceilings.

Bungalow House Plans

They are traditionally painted with colors that match nature such as dark browns and evergreen. Stickley's principles of home design include construction that is in harmony with its landscape, open floor plans, built-in storage, and natural lighting.

The Bungalow: Variations and Examples

Taller people or those who enjoy tall furniture like bunk beds and tall bookcases may find this style limiting.

The Bungalow: Variations and Examples

Bankrate follows a strict editorial policy, so you can trust that our content is honest and accurate. The prototype was a house used by British Army officers in India in the nineteenth century.
