### Aleppo fighting spreads amid accusations of gas attack

Abdel-Moneim said his son and the others died during the chemical weapons attack. Ezra fights his way to Thrawn, and reveals that he arranged Mart to call the purrgil, who arrive and destroy Thrawn's fleet. The war in Yemen has spawned the world's worst humanitarian crisis, leaving millions suffering from food and medical shortages.

### Aleppo fighting spreads amid accusations of gas attack

While underground, the rebels and Saw discovered evidence in the form of poison canisters that the Empire had perpetrated genocide against the Geonosians.

### Ezra Bridger

Ahsoka arrives at her location first, a ransacked passenger ship adrift in space, and finds signs of weapon damage all over. During the journey, Maul tried to sow discord between Ezra and Kanan by telling the boy that he understood his potential.

### Rebels disappointing on defense in loss to UGA

The group manages to board the ship and finds the cargo they are looking for. They are surprised to find out the ship in need belongs to.

### The Redneck on Rainey Street

Just after she has deciphered how to close the portal, Sabine is extracted by Hera and Zeb. Elvin gets impatient, grabs the brick from Kahn and hurls it through a window. Maul commands Ezra to strike down the Seventh Sister.
