A Feminist Critique of Marriage

What a change in attitude.

What Should Be the Husband's 'Role' in Marriage?

They no longer give up and give in.

What are the roles of the husband and wife in a family?

In large part this is because girls are almost four times as likely to be a victim of sexual assault by a family member than boys are. Sixty-three percent of children under age 14 live in a household with two married parents.

What Should Be the Husband's 'Role' in Marriage?

He will practice using patience, love, prayer and communication to solve problems that he and his wife face in marriage. They do not realize that difficult times come to any marriage.
