Educational and Community

There is a clear obligation on any government to pursue active gender equality policies, — a duty built on an obligation that applies to society in general.

EUR

A circular economy is a regenerative system in which resource input and waste, emission, and energy leakage are minimized by slowing, closing, and narrowing material and energy loops.

Association of Southeast Asian Nations (ASEAN)

Founded in 1896, today Volunteers of America is active in more than 220 cities and towns in 37 states. Some of those opportunities - study circles, for instance - are free or almost free, and can be arranged by staff members themselves, or by the organization.

What the Education Sector does

And it can, and should, be ongoing throughout a staff member's employment.
