## Charles Dickens

Over 2,500 extensively cross-referenced entries include: Detailed synopses of all his major and most minor works and an overview of the critical reception to each Descriptions of all characters, both fictional and factual, and all settings within his work Dickens's family, friends, acquaintances, professional contemporaries, and critics Places important to his life and work Social issues in Victorian England 50 photographs, many of them by Dickens's contemporaries.

## Top 10 books by Charles Dickens

This view was shared by Dickens who, after strolling through one stricken part of London, noted that the children: are the very dregs of the population of the largest city in the world — human waifs and strays of the modern Babylon; the children of poverty, and misery and crime; in very many cases labouring under physical defects, such as bad sight or hearing; almost always stunted in growth, and bearing the stamp of ugliness and suffering on their features.

Krook's cat, Lady Jane, crouched with murderous design on Miss Flite's birds - the only parapet in the neighbourhood available for such a purpose, it may be observed. We have dispatched from our book depository; items of good condition to over ten million satisfied customers worldwide.

## Victorian Era London

The fireplace is stone, painted black, and on the mantel-shelf is a model of a ship under a glass cover. Dwellings, however, whether chosen or not for a mission, have their day, and their day has an end.

## Dickens' London

Samuel Weller came to his rescue.

### **Victorian Era London**

To begin to study Dickens can feel paralyzing, especially for a beginning scholar. Dickens maxims that a given amount of mental exertion should be counteracted by a commensurate amount of bodily fatigue; and for a length of years his physical labours were measured exactly by the duration of his intellectual work. Little Nell refuses to appear.
