Fruits of labor: sunny California is no paradise for farm workers

The northern zone which is ordered by a strong circulation spine or gallery, houses administration and social services offices, work rooms, as well as a clinic and waiting areas.

Farm Bill hypocrisy mean more subsidies for the rich, greater food insecurity for the poor

September 8, 1965 marks the beginning of one of the most important strikes in American history. The design of the center reflects the spirit of the struggle of the leaders of Sin Fronteras to bring dignity to the farmworker community. His daughter recorded this audio for NPR.

Farmworkers Left Behind: The Human Cost of Coffee Production

In South Africa, farm workers constitute one of the most exploited and neglected categories of the working poor. They are seeking inclusion in the Act.

Migrant Farm Workers: Our Nation's Invisible Population

The vast majority of farmworkers still are not paid decent wages or overtime and face dangerous working conditions in vegetable fields, fruit orchards, poultry and dairy farms and vineyards.
