The story that Umberto Eco tells ranges widely from the writings of Augustine, Dante, Descartes and Rousseau, arcane treatises on cabalism and magic, to the history of the study of language and its origins. For Perreiah, the dilemma of whether or not the delicate and fluid relationship between thought and language is determinist needed serious sorting out.

## **The search for the perfect language / Umberto Eco ; translated by James Fentress**

Lucidly and wittily written, the book is, in sum, a tour de force of scholarly detection and cultural interpretation, providing a series of original perspectives on two thousand years of European History. An academic work, but with the kind of meat on it that I pick to the bones. To read this book, download ADE and then click on the download link on the page.

## **7 Tips for Writing & Delivering the Perfect Speech**

Renaissance Truths: Humanism, Scholasticism and the Search for the Perfect Language. One of the main reasons FluentKey was founded was to help save language teachers time! Recite your speech over and over again until you feel confident that you could give the speech without any notes. I keep thinking if I was perhaps smarter I would have appreciated it more so I hang onto it in some misguided attempt to make me feel good or perhaps bad? He also shows how the late eighteenth-century discovery of a proto-language Indo-European for the Aryan peoples was perverted to support notions of racial superiority.

## **7 Tips for Writing & Delivering the Perfect Speech**

This perfect language would theoretically bestow us with complete knowledge. The boundaries of our languages naturally represent the limits of our knowledge, or: if we don't have a name for a thing we don't know it, can't express it, can't engage or develop it. The goal would be to give the speech without referring to your outline. For more information on crafting or delivering your best speech, or if you need presentation coaching,

contact Mary Moore at or 352 792-5598.
