## **Learning Face To Face: How To Master ILT Training With TalentLMS**

There are five essential elements to consider when managing assessments remotely: Design clear candidate communications A solid candidate communication plan helps everyone to gain a better experience of the employer brand, encouraging more to accept roles plus building a positive employer brand. With this, HR teams are working to understand how to best assess candidates without the ability to interview face-to-face.

## **Three Traits Recruiters Find Most Desirable In Face**

With every interview, we want to make it entertaining while having a takeaway. These can be one of the several types: rich text, web material, video, audio, presentations, SCORM content, tests, surveys, and so on.

## **Learning Face To Face: How To Master ILT Training With TalentLMS**

For myself, I was looking for the opportunity to learn and expand my career and professional network.

## **Face To Face Solutions**

Even after seeing it work for my colleagues, friends and family, I was skeptical. I initially had planned to call up friends in the industry on Facetime and have a chat with them, record the calls and later post it on Instagram.
