This new element is not excluded by the terms of Article 51 since this conditions the exercise of the inherent right of self-defence on a previous armed attack without saying that this armed attack must come from another State even if this has been the generally accepted interpretation for more than 50 years.

Rhodesia

The majority of the primary documents are in Spanish but explanations are available in English. Before the British Prime Minister left Rhodesia on 30 October 1965, he proposed a Royal Commission to gauge public opinion in the colony regarding independence under the 1961 constitution, possibly chaired by the Rhodesian Chief Justice , which would report its findings to both the British and Rhodesian Cabinets. More than 5,000 African students are studying in higher and specialized secondary schools in the USSR.
