### THE SPREAD OF ISLAM in Egypt

This he called the canal of Trajan. Either it means that the place was mere desert at the time of the exodus, that the city of Letopolis subsequently arose there, and that Babylon later occupied the same site ; or that Letopolis was an old Egyptian city then abandoned.

### Shaving Hair and Beards in Early Islamic Egypt: An Arab Innovation?

Text reprinted as SB VI 9613. The rising of the Copts against their new masters in 646, when they drove the Arabs for a time out of Alexandria and opened the gates of the city to the Byzantine troops who, however, treated the unfortunate Copts as enemies, not having yet forgotten the welcome they had before given to the Muslim invaders , was the first of a long series of risings and insurrections,—excited frequently by excessive taxation,—which exposed them to terrible reprisals, and caused the lot of the Jacobite Christians of Egypt to be harder to bear than that of any other Christian sect in this or other countries under Muslim rule. Egypt Exploration Society, Graeco-Roman Memoirs 37.

In some cases, however, a transcript and translation of a text are given. It may be questioned whether 'Amr carried with him enough Romans to settle so wide a district, and whether the name is not rather in reminiscence of the conquered Romans on the spot.

### Shaving Hair and Beards in Early Islamic Egypt: An Arab Innovation?

Maehler mit Beiträgen von R. Egypt Exploration Society, Graeco-Roman Memoirs 42. That such there were, there can be very little doubt,

especially as we know that the Christians held public disputations and engaged in written controversies on the respective merits of the rival creeds.

Still, persecution and oppression by their fellow Christians have undoubtedly played a very large part in the reduction of the numbers of the Copts, and the story of the sufferings of the Jacobite Church of Egypt,—persecuted alike by their fellow Christians and by the followers of the dominant faith, is a very sad one, and many abandoned the religion of their fathers in order to escape from burdensome taxes and unendurable indignities. Atti del Seminario di studio Firenze, 3-4 giugno 2002 , Florence 2004. This is certainly ingenious, but there is one strong objection against it.
