## Books on the Aftermath of World War II

One of the things he talks about is the anti-Semitism that persisted in Europe after the war.

## West Germany joins NATO

Those surveyed stated several concerns, including Germany again attempting to expand its territory, a revival of Nazism, and the German economy becoming too powerful.

## West Germany joins NATO

Once they arrived, they were paraded naked in front of the camp officials who would select favorites, promising lighter work in exchange for sex. Here, most females were gang raped and then murdered.

## Cold War Revision

So he starts in 1945 and goes through to 2005, but along the way he picks out the main themes that are relevant to that particular period in history and goes through them one by one within the block of years that he happens to be talking about. Each of the Superpowers saw the other as a threat to its continued survival and adopted strategies to preserve their positions. Muslim immigrants were immediately under harsh scrutiny.

## East and West Germany reunite after 45 years

In the German race there is nothing but evil. South Korea appealed to the United Nations for help. The article is online at the website of the MIT.

## Books on the Aftermath of World War II

The Yalta and Potsdam Conferences While the war with Germany continued, the wartime allies USA, USSR and Britain met to discuss the post-war future of Europe.
