## Children in Care (Hansard, 24 February 1986)

The Minister is likely to be summoned by the chairman of the Conservative party, because he committed the unholy crime of referring to the alliance, when he should have referred to the SDP or the Liberal party. I had not briefed myself on that fascinating point.

## Children in Care (Hansard, 24 February 1986)

We lead the world in the use of computers in our schools and we have every right to be proud of that fact.

## Children in Care (Hansard, 24 February 1986)

It believed that, with those homes being restructured, it was a very valuable facility for those young people who did not want fostering, were not prepared to be adopted and could not go back to their original homes. The flexibility given by electronic mail will improve matters. Member for South Down Mr.

## Children in the parliamentary chambers

Industry finds there is never a right time because there is always something better around the corner, and does not know what is the best time and place to carry out major investment. We learnt much from our visit to Denmark and Holland. Is it not about time that we thought again about putting together a family policy? It goes on to admit that the sample is biased towards those more favourably disposed toward the use of Information Technology.
