Submittal of documents and notices.

Traffic Conditions

The manner in which the utility facility is to be installed; 3.

Chapter 12.27 ACCOMMODATION OF UTILITIES ON RIGHTS

The biennial process is continuously and collaboratively assessed for consistency with Whatcom Mobility 2040 goals and federal performance management standards. Roberts 1-800-585-6749 in other counties and Pt.

Whatcom County officials ask for 'equity and clarity' in vaccine distribution

Dates, times and work locations may vary, depending on inclement weather or last-minute changes in work schedules. The changes were based on forecasts and needs in consideration of future land use, traffic patterns and funding. Programs include: Lighting Projects, Downtown Art Walks, and the marketing and beautification of downtown streets and sidewalks.
