Imperatives of Culture on JSTOR

The transformation of cities from only consumers of food to generators of agricultural products contributes to sustainability, improved health, and poverty alleviation. They allow new perspectives on an important period in Korean history, a period that continues to inform political, social, and cultural life in crucial ways across East Asia. ¹ However, while Creation encompassed both.

Sōul T'ūkpyōlsi : Munmyōngsa MLA Citation Hwang, Pyōng-guk. Paek entered the Tokyo University of Business Administration present-day Hitotsubashi University in 1919 and studied there with a number of notable liberal economics scholars. ² One reason may be the vast scope of his work, which spans the fields of literature, history, folkloric studies, Buddhism, and geography, among others.

Life

But it brought me no comfort, and when I found myself.
